

Student Membership Benefits

Supporting You on Your Journey

What is Student Membership?

Our Student Membership supports aspiring paramedics by offering essential resources, expert guidance, and opportunities to connect with paramedic professionals. Designed for those enrolled in courses leading to HCPC registration, it helps you build your knowledge, refine your skills, and gain valuable professional insights.

Whether you're just starting your studies or nearing qualification, this membership provides the support you need to prepare for a successful career. If you have any questions about eligibility or benefits, feel free to reach out to membership@collegeofparamedics.co.uk for guidance.

CPD Hub

Unlock a fast-growing library of 600+ CPD videos, offering an extensive range of content to enhance your knowledge and skills. These videos delve into essential topics, from clinical techniques and patient care to emerging trends in paramedicine. Expert-led discussions provide valuable insights and practical advice from seasoned professionals, ensuring you stay at the forefront of your field. With this diverse and ever-expanding resource, you'll have the flexibility to learn at your own pace. Fill in your reflection which will save in your members profile allowing you to build on your CPD portfolio.

CPD Events & Webinars

Advance your skills with exclusive access to our national CPD events. Webinars are free and all regional events and conferences are heavily discounted for members. Your certificate of attendance is automatically saved in your members profile and you can add a reflection there too.

Medical Malpractice and Public Liability Insurance

The College of Paramedics provides student members with Medical Malpractice and Public Liability insurance as a benefit of membership to a limit of £5,000,000. This provides cover to students whilst undertaking elective placements as part of their paramedic training education.

Representation in your Education and Career

We support your professional growth by aligning Curriculum Guidance with modern needs and creating a Post Registration Career Framework that offers clear pathways for ongoing development and career advancement.

Regional Groups

Tap into a nationwide network of local support - our regional groups and student council provide community, resources, and development opportunities close to home.

Paramedic INSIGHT Magazine

Get inspired with 'Paramedic INSIGHT', our quarterly members' magazine that's thoughtfully curated to inform, educate, and entertain delivered to your door. Each issue is packed with engaging features, offering in-depth perspectives on current topics and trends in paramedicine. Gain expert advice from leading voices in the field, practical tips to enhance your practice, and success stories that celebrate achievements. Stay informed with industry updates, key developments, and upcoming events that keep you ahead in your career. It's more than a magazine - it's a trusted resource and a source of inspiration for your professional journey.

And Many More, Including:

- Access to British Paramedic Journal
- Email News Letters
- eLearning for Healthcare
- Access to the College of Paramedics Research Centre
- Discounts on medical supplies, external conferences and more
- College of Paramedics App
